Argos Extra

If you want to collect an extra item from a regular store, use Check and Reserve to save you a journey - just order it and we'll get it there for you usually in 3 working days. We can even send you an email or text to let you know when it's ready. Don't forget that everything's available online and by phone too.

Home Delivery

We can deliver anywhere in the UK and Northern Ireland (unless otherwise stated) but are unable to deliver to the Channel Islands, Isle of Man, Isle of Scilly, Orkney and Shetland Islands. For full details of our delivery services please see page 6 and 7 of the catalogue or visit www.argos.co.uk and click on home delivery.

Small items

If your items are small enough to be carried by just one delivery person you can choose any day Monday to Saturday for delivery, and we can even deliver next day if you order before 1pm. Our standard delivery charge for Monday to Friday is £5.80 order, no matter how many items you order. On small items the charge for Saturday delivery is £8.70. Delivery times are 7.00am-6pm Monday to Saturday (excluding bank holidays). You will be advised as to whether there is an am/pm slot available when you order. Our home delivery service excludes rings and personalised jewellery.

Bigger items

These items are delivered by our own 2 man delivery service and take a little longer to deliver. These items are marked as "home delivery only" and our standard delivery charge is £5.80 for Monday to Saturday deliveries usually within 3-5, 14 or 28 days. When you order we'll provide you with details of your delivery if the item is in one of our warehouses, otherwise we'll contact you to arrange delivery when the item is ready for you. There is a choice of 3 time slots: Morning (7.00am-12pm), Midday (11.00am-2pm), and Afternoon (12pm-6pm), although this may vary depending on the items you have ordered. On your delivery day our drivers will usually call ahead and also deliver direct to your room of choice as long as our drivers do not feel there are any health and safety issues such as a staircase which is too narrow or there is danger of damage to the customer property. (This service is not available on items marked as home delivery in 48 hours).

Express Delivery

Selected items only. If the item is in stock at our warehouse it will be delivered to you usually in 2-3 days (this excludes Sundays and bank holidays). The delivery charge for this service is included in the catalogue price. For deliveries to Northern Ireland Express Delivery may take an extra day.

Supplier Deliveries

Some items are delivered direct from our suppliers. The supplier will contact you directly to arrange a suitable delivery time. Delivery times may vary from our standard service.

Collection of Old Appliances

This service is offered when you purchase a new large domestic kitchen appliance or selected TVs. If you have ordered collection for a washing machine, dishwasher or fridge freezer the old appliance must be disconnected and emptied of water prior to delivery of new appliance. See page 1798 in the catalogue for more details.

Recycling

Please dispose of your old electrical appliances and any waste batteries responsibly. See pages 1798-1799 of the catalogue for more details.

Free returns

If you decide within 30 days of the delivery that you'd like to return something it's easy - for smaller items just bring it in to your local store or call us on 0845 640 2020 and we'll come and collect it from you, free. For larger items please give us a call and we'll come and collect your item free. Under the Distance Selling Regulations, you have a right to cancel your
